

I WILL FIGHT CONVENIENCE AND AVOID SINGLE USE PLASTIC. I WILL NOT WASH SYNTHETIC GARMENTS WITHOUT FILTERING THE WASTEWATER. I WILL REUSE ALL VALUABLE MATERIALS. I WILL SEPARATE WASTE. I WILL REPAIR BEFORE I BUY NEW STUFF. I WILL BE CRITICAL TOWARDS MISLEADING ADVERTISING. I KNOW I DO NOT NEED MUCH AND FOCUS ON THE ESSENTIAL. I ACKNOWLEDGE THAT AT MY CONTRIBUTION TO PROTECT NATURE MATTERS. IF WE CONTINUE AS IT IS, THE POLLUTION OF OUR OCEANS WILL BE IRREVERSIBLE. PLEASE REFLECT AND CHANGE YOUR HABITS AND CONVINCE OTHERS TO DO SO, TOO. SPREAD THE WORD. WE NEED TO ACT **NOW. STOP! MICRO WASTE**
